

About this Training Program

This course covers the National Safety Code Standard 13 (Trip Inspections) as well as the Commercial Vehicle Safety Alliance (CVSA) Out of Service Criteria.

Having an understanding of these standards allows a driver to perform an inspection using the same criteria that is used by enforcement agencies across North America.

This course includes multiple video segments, sample defect reviews, short progress quizzes, and a final mastery quiz.

Verification Techniques Employed

- ✓ **Identity:** Unique usernames and passwords.
- ✓ **Security:** Bank-level encryption.
- ✓ **Question Bank:** Every quiz attempt includes a unique combination of questions pulled from a large pool.
- ✓ **Certificate Verification:** Certificates contain a verification code that can be checked on CompetencyMill.ca.
